RE: 350 skids and 206 skids

David and he would allow us to use a RTV product to bond the Plugs into the Skidtube.

Plugs would require:  
oval from the Skidtube  
oval of the current O-Ring  
ning with Alcohol  
allation of NEW O-Ring  
erous coating of the RTV  
rtion of plug into the Spacer  
in up of exterior of Skidtube.

terday that plugs were falling out. Today we were told that we cannot ship any 350 skids. We have an order to ship today, has there been a solution  
this problem? Can we not just sikaflex them in or something? We need to let the customer know if his order is shipping or not...
